

Therapist: Cate, how are you feeling, today?

Cate: I'm feeling pretty cmmmy!

A bunch of oatmeal-raisin cookies came dancing in!
Hey. Lots love at NaNoWriMo 2021. There was a full moon
convention. A bunch of Beavers showed up.

I'm gonna have to wrap this one up. Please, less write
again. This is so healthy for you!

Love, Dad. 7:13pm Wed 2/23/22

3:20 pm Saturday, February 26th, 2022

♂ Mrs Mission 2030 app

Step 1: Purpose: Linda Joyful Coder, FSE Grad, is tasked
with helping Commander Musk to get his first crew to
Starline City on Mars, and back home, safe 'n' sound.

Intend User: child, youth, adult, techie, or
chessur (tech-challenged!)

Intro Page: 1 image of Cmdr. Musk's Spaceship to
hold crew of 50 people. ♀, ♂, and ♀. Designed by Linda
M. Smith of S & S Studios. Gile link.

Step 2: Pseudocode

a. user chooses to install, no React app
b. user enters name, email. Prompted to Sign Up,
or Sign in. Creates User ID, password, enters email
address to be added to S & S Studios email list.
Auto-subscribes to monthly Newsletter.

c. Maybe a 30 sec - 2 min video clip. Mention Linda
describes the role of computer code and Black history
in flying spacecraft. Still of Mars surface, Mars
Rover, and Elon Musk 2022.

d. next page is Buy a Space Tourist ticket? Only
\$20 mil. USD. Accepts BTC or ETH, too!

Requests a Crew Letter with a Selfie to apply
to be a Mrs 2030 Crew Member.

e. Video game. Get hints of Mars from Starline City
to Tranquility Bay.

f. prompt user End Game?

yes/no/exit

5. do we need an HTML page? if yes, css page needed, too. blog with is to create First instances to run buttons, video, etc.

4:35 pm. Created 3 AI artworks. Plus html, css pages in React App boilerplate.

Children birth done.

Sprint ends STOP WORK. 4 2day!

1:50 p Sunday 2/27/22
